

XT - LIFE ORIENTATION Grade 3

Subject: Caring for our pets

Date: 2010/06/30

Total Marks: 10

1. TRUE 1

Explanation: Make sure you have enough space for a dog. Big dogs need lots of room to run and play.

2. A 1

Explanation: Do not leave your dog in the car for more than 10 minutes.

3. TRUE 1

Explanation: Siamese cats are called shorthairs. They also have long faces and slanting eyes.

4. C 1

Explanation: A cat has claws.

5. A 1

Explanation: The Persian has a flat, round face.

6. rabbit 1

Explanation: Rabbits need fresh water and food daily.

7. cat 1

Explanation: If a cat brings you something it has caught - it is giving you a present.

8. (1) Rabbits 1

Explanation: Rabbits are very quiet and easy to keep.

9. (1) budgie 1

Explanation: A budgie loves a ladder in its cage but the rungs must not be too narrow or it could trap its head or body.

10. (1) light 1

Explanation: Do not keep the cage in a room with smokers or lots of loud noises.
